Marketing Methods

In addition to selling your books assiduously online, there are several other methods that may help you promote extra books.

One is to offer one thing away without spending a dime along with your ebook, such as a helpful bonus item. Or bundle a number of ebooks underneath one worth, which lowers the worth for each ebook if they have been offered separately.

An effective method for determining a value is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a sales page for the brand new ebook, but don't embody a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Make sure your gross sales copy is exactly the identical

on every page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

Finally, should you've written a e book that solves a downside or presents a brand new method, your guide will usher in both visitors and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your guide solves and what the advantages of your 100 book might be to the purchasers who buy it.
