An effective technique for determining a worth is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a sales web page for the new guide, but do not embody a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Be sure your sales copy is exactly the similar on every page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.
