An effective technique for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a sales web page for the brand new ebook, however do not embrace a worth on that

page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain your sales copy is strictly the similar on each web page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum price is.

In the end, when you've written a guide that solves a drawback or presents a brand new method, your guide will bring in each visitors and profits.
