One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Ensure your sales copy is strictly the similar on each web page, and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a e book that solves a problem or presents a brand new technique, your ebook will usher in each traffic and profits.
