An effective approach for determining a worth is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new ebook, but do not embrace a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is exactly the similar on

each web page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum value is.
