An effective approach for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new e book, but don't embody a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is precisely the identical on every

page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum worth is.

Ultimately, in case you've written a book that solves a problem or presents a brand new technique, your guide will herald each visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your guide solves and what the advantages of your 1337 e book shall be to the customers who purchase it.
