One other technique is to test out costs by making a variety of duplicate sales pages with different costs on every page. Be sure your sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, for those who've written a e-book that solves a problem or presents a brand new technique, your e book will bring in both traffic and profits. So you'll want to write that
