Do that by making a gross sales page for the new book, but don't embody a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure that your sales copy is precisely the identical on

each web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.

Finally, when you've written a e-book that solves a drawback or presents a new approach, your e book will usher in both visitors and profits.
