An efficient technique for determining a price is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new e book, but do not embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Be certain your gross sales copy is precisely the similar on every page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum worth is.

Ultimately, in case you've written a guide that solves a downside or presents a brand new method, your ebook will herald both visitors and profits. So make sure you write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 203 book might be to the shoppers who buy it.
