Do this by creating a gross sales page for the brand new e book, but do not embrace a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure that your sales copy is precisely the same on every web page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.
