Do that by creating a gross sales web page for the new book, however do not embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is exactly the identical on

each web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

In the end, if you happen to've written a e book that solves a downside or presents a brand new technique, your book will bring in both visitors and profits.
