The important thing that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. An efficient approach for figuring out a price is to send out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new e book, however do not embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the identical

on every web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.
