After you determine your goal, you must work out what your audience's need is to your ebook. For example, does your ebook solve a specific downside? If it does, and solves it in a means that hasn't been written about in one hundred different ebooks, you'll be able to achieve high sales at a

excessive price. If your book solves a problem or answers questions in a brand new and distinctive method, it's best to worth your ebook as excessive as you possibly can go. The key that unlocks the gross sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what query or downside your guide solutions and the advantages your book can provide. Then make sure you use that sentence in every piece of sales

and promotional materials, and every time anyone asks you about your ebook.

Ensure that your sales copy is precisely the similar on each page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.
