Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with different costs on each page. Be sure that your gross sales copy is exactly the same on each web page, and includes your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.

Ultimately, if you've written an e book that solves a problem or presents a brand new technique, your ebook will bring in each site visitors and profits.
