Another strategy is to test out prices by making a number of duplicate sales pages with different prices on every page. Be sure your gross sales copy is precisely the identical on each web page, and

consists of your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, in the event you've written a guide that solves a problem or presents a new approach, your ebook will bring in both traffic and profits.
