If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new book, however don't embody a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Make certain your sales copy is precisely the similar on every web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum worth is.

Ultimately, should you've written a book that solves a downside or presents a new technique, your book will bring in both traffic and profits. So remember to write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your 325 e-book might be to the purchasers who purchase it.
