and promotional material, and every time anyone asks you about your ebook.

An efficient method for determining a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a sales page for the brand new e book, but do not embrace a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with different prices on each page.
