problem rather than common advice, then you may cost more. Begin at the highest price the market will bear to bring in the largest income, and plan to discount the e-book a number of instances all through the year.

price. Do that by creating a sales web page for the brand new guide, but do not include a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is strictly the similar on each web page, and includes your promoting-deal with sentence.
