Do that by making a gross sales web page for the brand new e book, but do not embody a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

Ultimately, if you happen to've written a e book that solves a problem or presents a brand new method, your ebook will usher in both site visitors and profits.
