One other strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on every page. Ensure your sales copy is exactly the same on each page,

and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

Ultimately, if you've written a ebook that solves a problem or presents a new approach, your guide will bring in each site visitors and profits.
