promotional material, and each time anyone asks you about your ebook.

An efficient approach for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the new e book, but don't embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make sure your sales copy is exactly the identical on every page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.

In the end, in case you've written a book that solves a problem or presents a new method, your ebook will bring in both traffic and profits. So be sure you write that selling-deal with sentence that sums up what downside your e book solves and what the advantages of your 674 e-book will be to the purchasers who buy it.
