Do that by making a sales web page for the brand new e-book, but do not embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Make certain your sales copy is strictly the identical on every web

page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum worth is.

In the end, when you've written a ebook that solves a downside or presents a brand new method, your e-book will usher in each visitors and profits.
