promotional material, and every time anyone asks you about your ebook.

An efficient technique for figuring out a value is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new e-book, but do not embody a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a number of duplicate sales pages with completely different prices on every page. Be certain your sales copy is strictly the same on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.
