Do this by creating a sales web page for the brand new guide, but don't embrace a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different prices on every page. Be certain your sales copy is strictly the identical on every web page, and

includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum worth is.

Finally, for those who've written a book that solves a downside or presents a brand new technique, your e book will herald each site visitors and profits.
